

MODULAR EXHIBITION STANDS 2022

## ROLLING EXHIBITION SYSTEM

Werkhaus presents a very attractive and cost efficient system for exhibitions combined with a timeless wooden design.

Setting up and dismantling is easy to do. The modules on wheels will facilitate transportation and handling.

A range of different colours, individual direct print on wood and purpose-made textile banners allow an easy customization. You will have a solid basic equipment that is adaptable for different situations and can be extended with different features. Exchanging the banners allows a big optical variation in appearance with only few material input.

Using 3-layer solidwood-panel for the modular exhibition stands makes a comparably light and stable product at the same time.

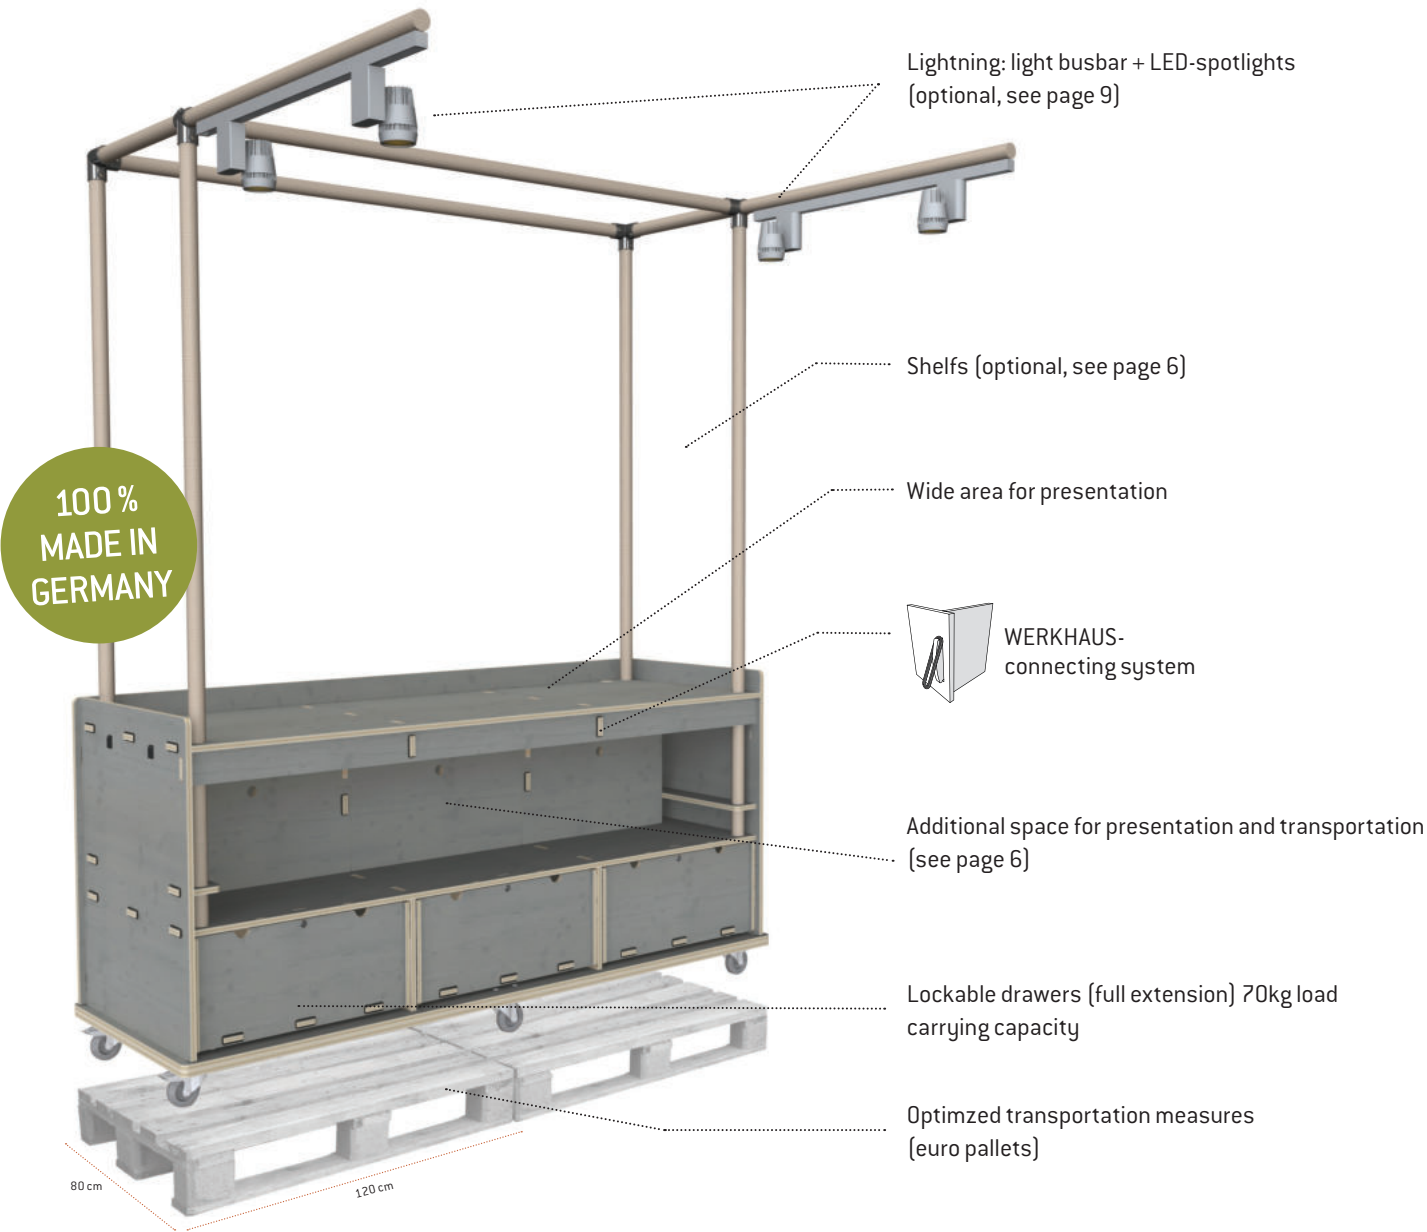

Regarding lightning we have made efforts to have a system which is easily installed ("plug and play") and needs only few electrical power.

True to our philosophy of sustainability we offer you a resource saving solution for the presentation of your products. You will enjoy the natural materials and high standard for a long term.

# THE ROLLING EXHIBITION MODULE BY WERKHAUS!

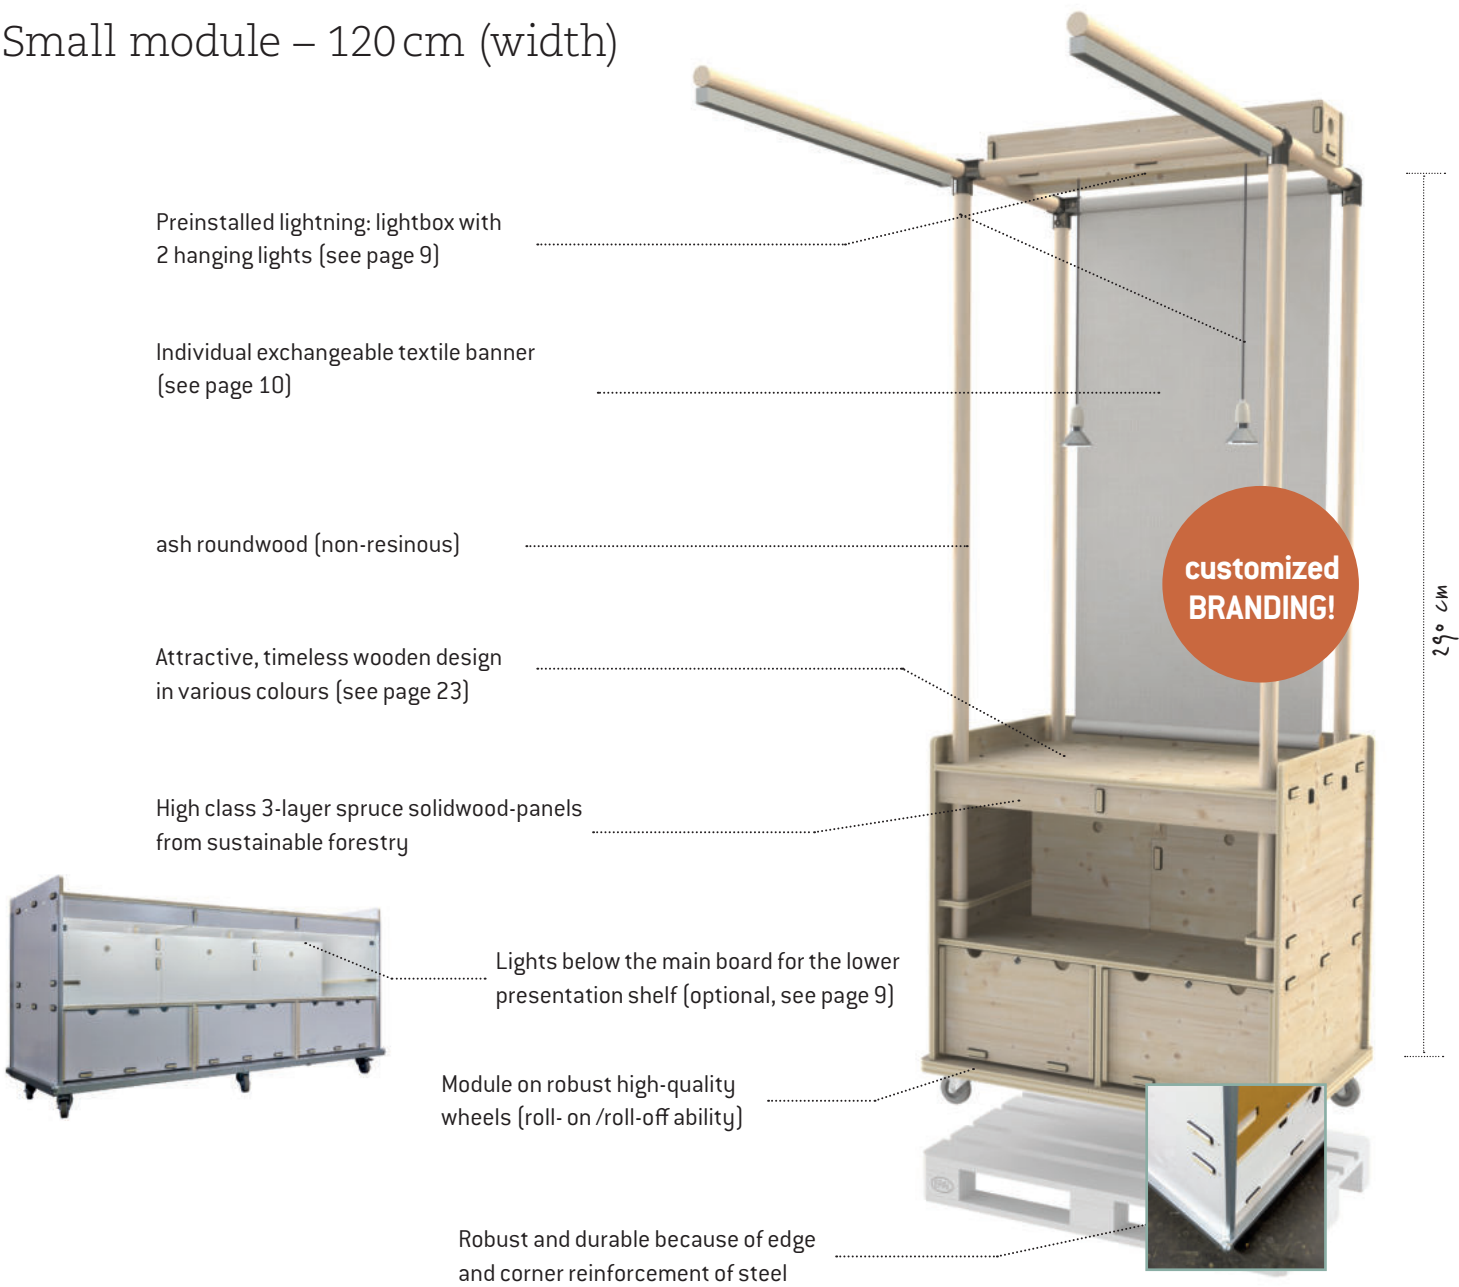

Large module – 240 cm (width)

Mobile exhibition stand 240cm | 50130501 3.349,00 €

# DESIGN YOUR ENTIRE EXHIBITION STAND!

Using our ash-roundwood and the corresponding connectors, it is possible to design entire exhibition stands. Feel free and to find your individual solution.

Use the plenty of opportunities given

The connectors are made of galvanized malleable cast iron and fixed with clamping screws of stainless steel on the massive round ash wood

#### **ABOUT WERKHAUS**

##### **Ecological Responsibility:**

For our production, we only use certified wood, the colours are water-based and non-toxic.

##### **Innovative products:**

Our WERKHAUS connecting system has won several design awards. The pieces are joined together and fixed with rubber rings: Done!

##### **Social responsibility / Produced in Germany:**

All Werkhaus products are manufactured in our company in Northern Germany. On our team we have about 17 trainees and 15 % handicapped people. The staff includes employees from about 7 different countries and we export 40 % of our production.

All prices net (without VAT), ex works Werk Bad Bodenteich (Germany). delivery time is 6–8 weeks.
